- Arrange key collection and drop- off (on request);
- Meet and greet service (on request);

Iva Airbnb Cleaning & Linen **Airbnb Luxury bed linens supply** **& our cleaning routine**

There is no size matter- we can clean from studios to large houses. Our experienced and very well-trained cleaners can sort out all your cleaning needs. Iva Cleaning Services London can help you to rent the Hotel Quality Supplies for Your Airbnb property such bed linens, toiletries, towels and more from our well- established partner. We can arrange the delivery exactly when you need/day of your Airbnb key handover within a 2-hour slot. For instance, we can schedule the delivery when our cleaner is at the flat.

Our cleaning routine:

- ✂ We follow your instructions to collect keys from: lockboxes, concierge, coffee/shop or Key Nest shop. However if the keys are missing for some reason/guests forgot to leave – we will let you know straight away via WhatsApp, text or call;
- ✂ When we arrive at the property first we open the windows so fresh air comes.
- ✂ We check for any damages and report them straight away via WhatsApp, text or call;
- ✂ We strip beds and collect all used linen and towels- ready for collection. We do not give host linen to the linen company;
- ✂ We start with the cleaning checking: dishwasher (make sure no dirty dishes left), microwave, fridge, freezer, washing machine. We throw away all rubbishes, opened and left food. Clean the bathrooms, hoovering, mopping, dusting and prepare the flat for new guests;
- ✂ We do the beds in hotel standard, providing 1 bath towel & 1 hand towel per guest;
- ✂ We check for toilet paper & toiletries each time and let you know if they are missing and need to be provided. If hoover or mop need to be replaced- we will let you know as well;
- ✂ At the end- we make sure all rubbish is out of the property; all windows and doors are closed; all lights are turned off; heating off / lower thermostat (if applicable); the entrance door is locked and that the keys are returned where collected.

Airbnb Cleaning Services London

What the customers say about our services

"Iva runs a very professional cleaning and guest greeting service. The quality of her cleaning is excellent, she is very reliable and feedback from guests who she has greeted at my apartment is very positive. I would thoroughly recommend her services." Jamie Hallums, Lambeth North

Leo Caporali

Trustworthy and reliable, Iva has provided me with an excellent Airbnb cleaning service. Highly recommended.

Anja R.

Iva is incredibly professional, very reliable and offers a great cleaning and linen/towel hire service. She's very flexible and pays great attention to detail which has made her an invaluable help for my Airbnb property. She's also a pleasure to deal with so a great service all round, I can highly recommend her!

"I am writing to recommend Iva as a cleaner. She has been cleaning my London AIRBNB apartment and meeting guests since June 2017 and she has always done an excellent job. The apartment always looks exceptionally clean, and she is very polite and friendly with my guests.

Iva has shown herself to be very honest and reliable. I have been very happy with her services and do not hesitate to recommend her." Paul Morgan, King's Cross

B. Russell: "Iva has been fantastic to work with. Great communication and superb services. I have two Air BNB properties where she has assisted with cleaning and 'Meet and Greet'. I couldn't recommend her and her company more highly".

Katie Doyle

Iva's Cleaning stepped in last minute for my Airbnb housekeeping and linens after Hatmaker pulled out of this service. Great job today so happy to have found her and will of course be using her housekeeping services going forward.

Steven Paterson
Great team - spotless clean. Very flexible and accommodating.

Some more interested websites for you property

Key options for host:

The best way is to have lockbox somewhere next to your property... There are police certified.

The second good option is to find KeyNest- Airbnb key exchange shop around your property and to set-up an account. Key can be collected & dropped by us and your guests.

www.keynest.com

Similar option is Key Cafes around the town. They can store your keys and make your life easier

www.keycafe.com

ESSENTIALS & GIFTS

Replenish essentials such as soap, shampoo, some gifts for your guests like fruits, flowers, milk, coffee or tea could be a nice idea! ☺

The other option is "Greet & Meet" service where some of our cleaners will be in the property to meet your guests, explain & show all about the property and leave them the keys.
